

Mommy and Me Pony Camp

At Kraus Farms Equestrian Center

This camp is designed for little kids (ages 3 & 4) who are not quite ready to come to camp on their own. It is a great way for you and your child to experience pony camp together. You both will learn about ponies, safety, ground manners, grooming and saddling. We will do fun things including story time, a simple craft, snack time, brushing the ponies and playing games with the ponies.

One parent or adult is required per child. This adult will be assisting the camper with their pony during this camp session. No horse experience is required. Parents and campers must wear appropriate shoes such as hiking boots or riding boots as well as long pants. Helmets are provided by Kraus Farms for the campers and must be worn while around the ponies. Please bring a snack for you and your child. Event will be held rain or shine.
